Comments about seating:  
Metal frame red vinyl back and 17" seat pad. Padding not very plush, but we managed to sit and enjoy for 2 hours! Not much room between tables and booths in front section of restaurant. We sat at tables but there were some customers of size in booths.

**Aisles:** (Check all that are appropriate)

- Aisles are clear and unobstructed
- Scooter/wheel chair-friendly
- Ramps available for scooter/wheel chair accessibility

Comments about aisles:  
Enter by door nearest street to access the roomiest section of the restaurant. This is a small business and seating is tight in the front of the restaurant. Scooters can access and sit at end tables but not very roomy. Best to park scooter just outside and walk in when possible.

**General Comments:**

Locally owned small business with friendly staff, reasonable prices and good food. There were several customers of size besides our party. The place could use a "face lift" as it is quite worn, but clean, the food is good and the service is great.

- I would recommend this business
  - I would not recommend this business
- I rate it (choose a number on 1-5 scale) 4 - Very Good
